Coach's comment, "It good for us to finally run again after 2 cancelled meets due to rain. We had not competed for 13 days. We had 8 out of our 18 runners run their best time of the year tonight. Alicia Turnquist (2nd place),led the girls to a first place finish. She was joined by 2 others medalists, Alexa Fredrickson (4th) and Clara Candelario (7th). The boys were paced again by Freshmen Diogo Sliefert medaling in 8th place. Varsity Runners Conrad Falck and Argenis Marcos earned the A-A coach's award given to the two runners that showed the most improvement or performed exceptionally well. We are excited to host our home meet a week from tonight in Alta starting at 4:30 with the Jr. High."
