Comments: The Warriors had a fantastic night. Our boys were dialed in and ran some events way faster than they had previously this season. We have 4 automatic events going to state and 4 others with a chance. We came into all of those events on the outside looking in and took that as motivation to show others what we can do. Joe Hughes had a great night as he was on all of those relays and won the 400m. Nathan Pearson also was on the 3 state bound relays with excellent split times. I am so proud of all our athletes and look forward to running down at the blue oval.
